For Departmental Use Only: Approve/Deny

To the Petitioner: State your request below. To petition a course or courses taken outside the UCLA Political Science department list by title and how you want it applied. Please create separate petitions for each course you are requesting. Additionally, if coursework is taken at another college or university include the name of the institution. Attach a syllabus for each course.

Most petitions are reviewed and decided upon by the contents of a course syllabus. If there are personal circumstances (i.e. health or unexpected events) that you want to include please explain in the space below. Each petition must be submitted as a single PDF document. Petitions are reviewed every 6 - 8 weeks. The petitioner will be contacted by e-mail on whether or not the petition is approved.

Department approval for courses taken at other universities is contingent on their evaluation as transferable by the UCLA Undergraduate Admissions Office. Credit for upper division course credit taken elsewhere must be evaluated as such by the Undergraduate Admissions Office for department use as upper division Political Science credit.
